Hi Steve (cc: Rochelle, Allison),

Steve, I'm following up on your questions in the Oregon CZARA RTC and in emails on the NPS provisions that provided coverage for ODF and ODA saying that their practices were in compliance with WQS.

Are you free tomorrow, 1/6 for 10 minutes, 10AM PST/1pm EST to go over your question? I thought it might be useful to have Rochelle Labiosa, the EPA OR WQS Coordinator, on the line to answer your questions. Let us know, since Rochelle is available then, too.

Allison, FYI, for tomorrow's Tech meeting if Steve is free to talk.
